

27 January 1955

General J. G. Christiansen
Staff Director
Task Force on Intelligence Activities
Commission on Organization of the
Executive Branch of the Government
Washington, D. C.

Dear General Christiansen:

With further reference to your letter of 20 January 1955, and our telephone conversations of yesterday evening and today, I have arranged clearance for Mr. Henry Kearns and for you to have access to CIA activities, both overt and covert, in connection with your trip to the Pacific area. It is also understood that all members of the Task Force and you, yourself, will be cleared to consider the reports with respect to both overt and covert activities of the CIA which may be submitted by those members of your staff who have been cleared for on-the-spot investigation of those activities. I quite appreciate that this is necessary in connection with the preparation of the Task Force report.

This procedure has been cleared with Governor Adams.

Faithfully yours,

Allen W. Dulles
Director
